

## ***Fast Checkout***

To save you time and make your experience with us even more enjoyable we now offer a "***Fast Checkout***" process. Similar to the process at a hotel, we can now keep a credit or debit card on file in a secure PCI compliant manner. When your appointment is done, we can charge your portion to the card on file without you having to wait in line and checkout with our front office.

I understand that I am responsible for all charges whether or not they are covered by insurance. I authorize Cascade Family Dental to credit or charge my card on file for any remaining balances or credits resulting:

1. **Only after** insurance payments have been processed,
2. **Only for** work that I have consented to and have already received and,
3. **Only for** the amount my insurance company dictates.

However, if a charge over \$100 is necessary, Cascade Family Dental will notify me **before** the charge is made. I fully understand that quoted costs are only estimates. Amounts due will change if changes are made to the treatment plan or if insurance pays differently than expected.
