Comments on Dental Visits:

- I love Dr. Allred he has been the best ever. He's so gentle and caring. I've always been nervous about going to the dentist but not anymore. I like going because he can make my teeth feel better. Thank you Dr. Allred for everything.
- The best I have ever had!
- The visit before the last one was disappointing because my tooth did not hurt at all until after the filling was done then it was cold sensitive and I couldn't chew on that side for a month and a half. Dr. Baird took care of it though and as soon as the numbness wore off it was instantly better and I really appreciated him fixing it for me. I am so relieved to have my mouth back to normal. Thanks Dr Baird!
- You are all professional!
